

Payout of pension on moving abroad

If you move permanently to another country, you can have your pension paid out (unless you move to Greenland or the Faroe Islands).

These conditions must be met:

- Your employment has ended
- It is more than three months since we received the last contribution from your employer
- You are registered in the Danish Civil Register and with the Danish Tax Agency as having left Denmark. You can register at borger.dk or by contacting the Citizen Service Centre (Borgerservice) in your municipality of last residence
- You have no intention of moving back to Denmark.

How to apply for payout

Please fill in the form on the next page and return it to us together with a copy of valid passport.

Log on to pension.dk/kontakt to send the documents digitally.

Alternatively, you can send them by post to:
PensionDanmark
Langelinie Allé 43
DK-2100 Copenhagen Ø, Denmark

What you need to know

Your pension benefits are subject to state tax, which we will deduct before payout. The tax is 20% for retirement savings and 60% for other benefits.

We will not pay out amounts under DKK 100.

When we pay the amount into your NemKonto account, we will disclose your CPR number and the size of the amount to Nets and the Danish Customs and Tax Administration.

Your insurances and your customer relationship with PensionDanmark will end when we pay out your pension.

Please fill in the form on page 2.
